

IBM Developer

Certificate of Completion

This certificate is proudly awarded to

↳ **Mohammed Touheed Patel**

Congratulations for completing

IBM Developer Series: Your Path to AI

The virtual workshop includes:

Discussion on Data Science & AI, Data Preparation, Data Visualization, Data Modelling using IBM Watson Studio (CloudPak for Data) Supervised Learning and Deep Learning, CNN with tensor flow, Natural Language Processing. Last Code Lab on Data Science Pipeline using IBM Watson Studio.

Organized by IBM Developer from 13th of October 2020 to 26th of October, 2020

Collect, clean, predict
and deploy your Data
Science Pipeline

Gain Insights
From your data

Build an image
classification
neural network
using Tensorflow

Fraud Prediction
using AutoAI

Extract business
insights from your Data

Refine your data
using IBM CloudPak
for Data

Journey to Data &
AI
